Credit terms are the absolute discretion of the creditor who may terminate, alter or deny credit terms without notice and without cause. All past due accounts accrue interest at 1.5% per month of the unpaid balance. The accrual of interest does not authorize the customer defer payment beyond the credit terms stated herein. In the event of delinquency, customer agrees to pay all collection cost, attorney's fees and court costs incurred in the collection of the money owed regardless of whether judicial action is undertaken.

In consideration of the extension of credit by the seller, the undersigned personally guaranty to pay and be responsible for payment of all sums, balances and accounts due Seller by Buyer, including collection charges and/or attorney's fees. This shall be an open and continuing guaranty and shall continue in force not withstanding any charge in the form of such indebtedness. Any claims, arbitration or litigation will be accordance with the laws of the state of California.

Any claims to received goods must be made within 72 hours of receipt of goods. All goods must be inspected prior to embellishment. No claims will be accepted for products that have been already embroidered or printed. If washing instructions are not followed, returns will not be accepted. Returns are subject to 20% restocking charge.

The undersigned agrees to all of the above terms of credit and release of personal credit information from any credit reporting company to Terry Town.
